ROBBED OF HIS PURSE.

How often we see this startling headline in our daily papers, and how much we sympathize with the unfortunate victim, be he rich or poor, but there are hundreds of other cases, of people who have been robbed of a far greater treasure than wealth that we never hear of. We refer to those who have been robbed of their good health by a rebellious stomach. There is one medicine, however, that will conquer a rebellious stomach and make it perform its duties properly, and that is Hostetter's Stomach Bitters. It is a specific remedy for the stomach and will cure belching flatulency, sick headache, indigestion, constipation and biliousness. Try it and see. Our Private Die Stamp is over the neck of the bottle.
